## REHABILITATION

We are passionate about helping you get back to activities and enable you to return to work safely and successfully.

This guide has been developed to outline the journey you can expect from IPRS health and the confidence that we are here to support you.

## About iprshealth

Today, IPRS Health is regarded as one of the UK's leading providers of quality Well-Being and Rehabilitation solutions. QBE European Operations are your accident and health insurer and they understand that access to quality Rehabilitation services are paramount to recovery. They have partnered with IPRS Health to provide Mental Health end to end Rehabilitation solutions.

IPRS Health has an extensive in-house team of multidisciplinary clinicians which, coupled with a carefully selected and managed national clinical network, provide nationwide Health and Rehabilitation services including specialist return to work.

## Health Advice

IPRS health also offer a Health Advice Portal. This provides immediate access to Musculoskeletal and designed by experts, please visit;

# Your Journey to Recovery

**A condition is sustained or illness develops**

**You are referred to IPRS Health by QBE to receive Support and Rehabilitation**

**Contact is made by our designated team to gain consent to complete a psychological assessment**

**A treatment plan is mutually agreed and you progress to treatment**

**IPRS Health communicate with your insurer to update at the start of treatment**

**Your progress is monitored and reviewed regularly until recovery is achieved**

**You are discharged from IPRS Health once recovery has been achieved with an ongoing plan to support further improvement**

## Here every step of the way..

**We understand that recovery can be tough. Alongside QBE, we will guide you every step of the way and ensure that you are kept informed and have a say about your treatment and care.**
